## **UMDPC CIRCULAR NO.19**

**All Deans of Medical and Dental Schools in Uganda**

**All Foreign students in Medical and Dental Schools in Uganda**

### **SUBJECT: REGISTRATION OF FOREIGN MEDICAL POSTGRADUATE STUDENTS**

This is to inform you that UMDPC has noted with concern that some foreign medical and dental postgraduate students enroll and proceed to study in your schools without registration.

This is despite a communication that was sent to you from Council regarding the same matter 2 years ago.

This is to remind you that it is illegal to practice in Uganda without registration. Please further note that these students will not be registered here after they have completed. Students are reminded that it is their responsibility to submit all the requirements needed by Council for registration.

Council can further take action against the students for illegal practice in Uganda.

This information serves to remind you and the students of this requirement and responsibility.

Yours in service,

Dr Katumba Ssentongo Gubala/Registrar
